me: god, I asked Stein to look over a technical document we're making; forgot what a giant faggot he is
Mirna: hahaha
Mirna: what is he doing?
Mirna: trying to make things seem harder than they are?
Mirna: and acting as if he has the only solution?
me: yes
me: I gave up
me: I have more tech people anyway, I just asked him because he was online and was hoping he might throw in some input
me: not sure why I thought he would
Mirna: there is no point in working with him.
me: yep
Mirna: ps wes got engaged to his adorably tiny irish girlfriend who is a pretty bigtime film producer
Mirna: last night they got engaged
Mirna: awwwww
me: awwww
Mirna: k i gotta go
Mirna: ben and i are going to watch a hoarders and go to bed
Mirna: have you watched hoarders yet?
Mirna: watch this right now
Mirna: http://www.megavideo.com/?v=59PYY9WV
Mirna: you will love it
Mirna: these people are disgusting hilarious idiots
Mirna: sometimes they poop in bags
Mirna: and just pile them in the corner
Mirna: cause they were too lazy to flush a toilet
me: meh, I've lived with Puerto Ricans before
